### **Co-Insurance**

Coinsurance is your portion of the cost of insured veterinary treatment for your pet before any deductible is applied. Your pet's coinsurance amount is shown as "Your Share" on the Pet Schedule of the declarations page.

### **Deductibles**

Deductible is the amount you must first pay with respect to the cost of insured veterinary treatment for your pet after your pet's coinsurance portion has been applied. Your Pet's deductible is shown on the Pet Schedule of the declarations page. Your pet's deductible shall apply once per coverage term.

### **Basis for Claim Reimbursement**

Reimbursements are based on your actual veterinary bill. We determine the total of the covered treatments and multiply that by your reimbursement rate. We then subtract your remaining annual deductible. For example:

\$ 1,200	Covered treatments
x 90%	Your Reimbursement Level
\$ 1,080	Sub-total
- \$ 100	Remaining Annual Deductible
\$ 980	Reimbursement Amount

Your pet's deductible is annual, meaning it must be satisfied only once per policy year and resets on the anniversary of your pet's enrollment.

### **Changes to Your Coverage and Premium**

Premiums may change based on the overall claims experience for the program within the region where the pet resides, geographic location and age of pet, among other factors. Premiums are not based on your own pet's individual claims experience.

### **Underwriting Company**

Insurance offered by Healthy Paws Pet Insurance is provided by ACE American Insurance Company, Indemnity Insurance Company of North America or Westchester Fire Insurance Company, as shown on your Policy Declarations Page.
