Definitions

Orthopedic. Orthopedic refers to conditions affecting the bones, skeletal muscle, cartilage, tendons, ligaments, and joints. It includes, but is not limited to, elbow dysplasia, hip dysplasia, intervertebral disc degeneration, patellar luxation, and ruptured cranial cruciate ligaments. It does not include cancers or metabolic, hemopoietic, or autoimmune diseases.

Pet insurance. Pet insurance means a property insurance policy that provides coverage for accidents and illnesses of pets.

Pre-existing condition. Pre-existing condition means any condition for which any of the following are true prior to the pet policy effective date of a pet insurance policy or during any waiting period:

- a. A veterinarian provided medical advice;
- b. The pet received previous treatment; or
- c. Based on information from verifiable sources, the pet had signs or symptoms directly related to the condition for which a claim is being made.

A condition for which coverage is afforded on a policy cannot be considered a pre-existing condition on any renewal of the policy.

Renewal. Renewal means to issue and deliver at the end of an insurance policy period a policy which supersedes a policy previously issued and delivered by the same pet insurer or affiliated pet insurer and which provides types and limits of coverage substantially similar to those contained in the policy being superseded.

Veterinarian. Veterinarian means an individual who holds a valid license to practice veterinary medicine from the appropriate licensing entity in the jurisdiction in which the individual practices.

Waiting periods. Waiting period means the period of time specified in a pet insurance policy that is required to transpire before some or all of the coverage in the policy can begin. Waiting periods shall not be applied to renewals of existing coverage. The waiting periods will be waived by us upon completion of a complete clinical examination. The applicable waiting periods are:

- a. Fifteen (15) days from the pet policy effective date for illness or injury not resulting from an accident.
- b. Fifteen (15) days from the pet policy effective date for orthopedic conditions (other than hip dysplasia) not resulting from an accident.
- c. Thirty (30) days from the pet policy effective date for hip dysplasia not resulting from an accident.

There shall be no waiting periods for illness, injury or orthopedic conditions resulting from an accident.

Right to Exam and Return Policy ("Free Look Period")

You have fifteen (15) days from the day you receive this policy, certificate, or rider to review it, and return it to the company if you decide not to keep it. You do not have to tell the company why you are returning it. If you decide not to keep it, simply return it to the company at its administrative office, or you may return it to the agent/insurance producer that you bought it from as long as you have not filed a claim. You must return it within fifteen (15) days of the day you first received it. The company will refund the full amount of any premium paid within thirty (30) days after it receives the returned policy, certificate, or rider. The premium refund will be sent directly to the person who paid it. The policy, certificate, or rider will be void as if it had never been issued.

Waiting Periods

Co-Insurance

Coinsurance is your portion of the cost of insured veterinary treatment for your pet before any deductible is applied. Your pet's coinsurance amount is shown as "Your Share" on the Pet Schedule of the declarations page.

Deductibles

Deductible is the amount you must first pay with respect to the cost of insured veterinary treatment for your pet after your pet's coinsurance portion has been applied. Your Pet's deductible is shown on the Pet Schedule of the declarations page. Your pet's deductible shall apply once per coverage term.

Basis for Claim Reimbursement

Reimbursements are based on your actual veterinary bill. We determine the total of the covered treatments and multiply that by your reimbursement rate. We then subtract your remaining annual deductible. For example:

\$ 1,200	Covered treatments
x 90%	Your Reimbursement Level
\$ 1,080	Sub-total
- \$ 100	Remaining Annual Deductible
\$ 980	Reimbursement Amount

Your pet's deductible is annual, meaning it must be satisfied only once per policy year and resets on the anniversary of your pet's enrollment.

Changes to Your Coverage and Premium

Premiums may change based on the overall claims experience for the program within the region where the pet resides, geographic location, breed and age of pet, among other factors. Premiums are not based on your own pet's individual claims experience.
