Exclusions

Pre-existing Conditions: We do not cover pre-existing conditions.

“Pre-existing condition” means any condition for which any of the following are true within 180 days prior to the pet policy effective date of a pet insurance policy or during any waiting period:

- a. A veterinarian provided medical advice;
- b. The pet received previous treatment; or
- c. Based on information from verifiable sources, the pet had signs or symptoms directly related to the condition for which a claim is being made.

A condition for which coverage is afforded on a policy cannot be considered a pre-existing condition on any renewal of the policy.

Other exclusions may apply. Please refer to the Exclusions & Limitations Section of the policy for more information.

Waiting Periods

- Fifteen (15) days from the pet policy effective date for illness or injury not resulting from an accident.
- Fifteen (15) days from the pet policy effective date for orthopedic conditions (other than hip dysplasia) not resulting from an accident.
- Thirty (30) days from the pet policy effective date for hip dysplasia not resulting from an accident.
- The waiting period described above will be waived by us upon completion of a complete clinical examination.
- There shall be no waiting period for illness, injury or orthopedic conditions resulting from an accident.
- Waiting periods may not be applied to a renewal of existing coverage.

Co-Insurance

Coinurance is your portion of the cost of insured veterinary treatment for your pet before any deductible is applied. Your pet’s coinsurance amount is shown as “Your Share” on the Pet Schedule of the declarations page.

Deductibles

Deductible is the amount you must first pay with respect to the cost of insured veterinary treatment for your pet after your pet's coinsurance portion has been applied. Your Pet's deductible is shown on the Pet Schedule of the declarations page. Your pet's deductible shall apply once per coverage term.

Basis for Claim Reimbursement

Reimbursements are based on your actual veterinary bill. We determine the total of the covered treatments and multiply that by your reimbursement rate. We then subtract your remaining annual deductible. For example:

\$ 1,200	Covered treatments
x 90%	Your Reimbursement Level
\$ 1,080	Sub-total
- \$ 100	Remaining Annual Deductible
\$ 980	Reimbursement Amount

Your pet's deductible is annual, meaning it must be satisfied only once per policy year and resets on the anniversary of your pet's enrollment.

Changes to Your Coverage and Premium

Premiums may change based on the overall claims experience for the program within the region where the pet resides, geographic location, breed and age of pet, among other factors. Premiums are not based on your own pet's individual claims experience.
